Stripo Templates

(based on Amazon Enhanced Brand Content layouts.)

Watch this [YouTube Video](#) for Step-by-Step instructions to access your templates and [this video](#) for a run through of the Stripo platform.

A number of years ago, Amazon had Enhanced Brand Content (EBC) rather than the current A+ Content for Brand Registered listings. Without doubt, Amazon marketing experts would have determined that these 5 templates were high converting layouts. Using these layouts for your eBay listings, may result in extra sales.
